
Information to registration and abstract submission for the GASL 2019 in Heidelberg

Thank you for your interest in registering to the GASL Annual Meeting in Heidelberg in 2019. In the following section we would like to provide you with some information about the registration/ submission process.

Please note:

Please note that for reduced fees the certificate of enrolment has to be provided.

You must be registered before submitting an abstract. You will receive the access link with your registration confirmation by e-mail. Following this link you will be transferred to the submission system. Here you also have to create an account when logging in for the first time.

Deadline for Abstract Submission is October 26, 2018.

All abstracts will be made publicly available. By submitting your abstract(s), all authors agree to the publication of their abstract(s) by the organizer.

For preparing your abstract, please note your abstract may have a maximum of 500 words (excluding title and authors).

During the online submission of your abstract(s), you please have to:

- Assign your abstract(s) to one of our conference themes/sessions which are
 1. Basic Hepatology (Fibrogenesis, NPC, Transport)
 2. Clinical Hepatology, Surgery, LTX
 3. Metabolism (incl. NAFLD)
 4. Tumors
 5. Viral Hepatitis, Immunology
- Fill in the form provided by the online system with the following information: name, first name & institution, e-mail address of all authors of your abstract(s).
